Pursuant to Section 6.02(c) of the Master Declaration, the Master Architectural Control Committee has adopted the Steiner Ranch Residential Design Guidelines Manual, dated September 2, 1997, and revised on March 7, 2002, recorded in the Official Public Records of Travis County, Texas, as supplemented and modified by that certain Steiner Ranch Design Guidelines/Supplemental Conditions Golf Course Residential, a copy of which is attached hereto as Exhibit "A". The Master Architectural Control Committee shall not be required to review any plans until a complete submittal package, as required by this Master Declaration, the Declaration and the Architectural Guidelines, is submitted to the Master Architectural Control Committee.

ON THE EFFECTIVE DATE OF THIS DOCUMENT, DECLARANT DOES NOT CONTEMPLATE CREATING THE DEVELOPMENT AREA ASSOCIATION AND SHALL HAVE NO OBLIGATION TO DO SO. THIS ARTICLE III AND ARTICLE V SHALL HAVE NO LEGAL OR OTHER EFFECT UNLESS AND UNTIL: (i) DECLARANT ELECTS TO CREATE THE DEVELOPMENT AREA ASSOCIATION AS EVIDENCED BY DECLARANT'S INCORPORATION OF THE DEVELOPMENT AREA ASSOCIATION AND ISSUANCE OF ARTICLES OF INCORPORATION BY THE SECRETARY OF STATE OF THE STATE OF TEXAS; OR (ii) DECLARANT ACCEPTS, WHICH ACCEPTANCE SHALL BE IN DECLARANT'S SOLE AND ABSOLUTE DISCRETION, A PETITION WHICH

SUPPORTS THE FORMATION OF A HOMEOWNERS ASSOCIATION, WHICH PETITION IS IN RECORDABLE FORM SIGNED BY A MAJORITY OF OWNERS OF LOTS WITHIN THE PROPERTY, EACH LOT BEING ALLOCATED ONE (1) VOTE. IN THE EVENT DECLARANT ELECTS TO ACCEPT THE PETITION PURSUANT TO SECTION 3.01(ii) ABOVE, DECLARANT SHALL INCUR NO EXPENSE RELATED TO THE INCORPORATION OR ORGANIZATION OF THE DEVELOPMENT AREA ASSOCIATION. ANY DEVELOPMENT AREA ASSOCIATION CREATED SUBSEQUENT TO DECLARANT'S ACCEPTANCE OF THE PETITION PURSUANT TO SECTION 3.01(ii) ABOVE, SHALL BE EMPOWERED TO REIMBURSE ALL REASONABLE INCORPORATION AND ORGANIZATION EXPENSES ADVANCED BY ANY OWNER WHO BECOMES A MEMBER OF THE DEVELOPMENT AREA ASSOCIATION. IN THE EVENT THE DECLARANT NO LONGER OWNS ANY PORTION OF THE PROPERTY ENCUMBERED BY THIS DECLARATION, A MAJORITY OF OWNERS OF LOTS WITHIN THE PROPERTY, EACH LOT BEING ALLOCATED ONE (1) VOTE, MAY ELECT TO CREATE THE DEVELOPMENT AREA ASSOCIATION, AND DECLARANT'S ACCEPTANCE PURSUANT TO SECTION 3.01(ii) SHALL NOT BE NECESSARY. DECLARANT SHALL BE UNDER NO OBLIGATION TO CREATE A DEVELOPMENT AREA ASSOCIATION.

3.02. Organization. The Development Area Association shall be a non-profit corporation created for the purposes, charged with the duties, and vested with the powers prescribed by law or set forth in its articles and bylaws or in this Declaration. Neither the articles nor bylaws shall for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration. Notwithstanding any provision in this Declaration to the contrary, Declarant shall be under no obligation to administer, finance, or cause the creation of the Development Area Association.

3.03. Membership.

- (a) Any person or entity, upon becoming an Owner, shall automatically become a Member of the Development Area Association. Membership shall be appurtenant to and shall run with the ownership of the Lot that qualifies the Owner thereof for membership. Membership in the Development Area Association may not be severed from the ownership of a Lot, or in any way transferred, pledged, mortgaged, or alienated, except together with the title to the said Lot.
- (b) Every Member shall have a right and easement of enjoyment in and to the Development Common Area which shall be appurtenant to and shall pass with the title to such Member's Lot, subject to the following restrictions and reservations:
 - (i) the right of the Development Area Association Board to suspend the Member's voting rights and right to use the Development Common Area for any period during which any Assessment against such Member's Lot(s) remains past due, and for any period during which a Member is in violation of the Association Restrictions;
 - (ii) the right of the Development Area Association Board to dedicate or transfer all or any part of the Development Common Area to any public agency, authority, or utility;

- (iii) the right of the Development Area Association Board to borrow money for the purpose of improving or maintaining the Development Common Area and, in aid thereof, to mortgage said Development Common Area;

- (a) The Owner of each Lot shall have one (1) vote for each Lot so owned. In no event, except as set forth in Section 3.04(c) below, shall any Lot be entitled to more than one (1) vote; provided, however, that in the event of the resubdivision of any Lot into two or more Lots, the number of votes to which such Lot is entitled shall be increased as necessary to retain the ratio of one (1) vote for each Lot resulting from such resubdivision. No resubdivision shall be effective, for purposes of the Association Restrictions, unless the same is approved by the appropriate governmental entity in accordance with the requirements of Chapter 212 of the Texas Local Government Code then in effect (or its successor statute), and duly recorded in the Official Public Records of Travis County, Texas. In the event of the consolidation of two (2) or more Lots for purposes of construction of a single residence thereon, voting rights and Assessment Units shall continue to be determined according to the number of original Lots contained in such consolidated Lot. Nothing herein shall be construed as authorization for any resubdivision or consolidation of Lots; such actions are subject to and require the prior approval of the Master Architectural Control Committee pursuant to other provisions of this Declaration.
- (b) In addition to the votes to which Declarant is entitled by reason of Section 3.04(a), for every one (1) vote outstanding in favor of any other person or entity, Declarant shall have four (4) additional votes until such time as Declarant no longer owns any of the Lots.
- (c) The right of any Owner to vote may be suspended by the Development Area Association, acting through the Development Area Association Board, for any period during which any assessment against such Owner's Lot(s) remains past due, or for any period during which such Owner or such Owner's Lot(s) is in violation of the Association Restrictions.

 - (3) Taxes. To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to the Development Common Area to the extent that such taxes and assessment are not levied directly upon the Members. It shall further have the power to do and perform any and all acts that may be necessary or proper for, or

The expense incurred by the Development Area Association in connection with the entry upon any Lot and the maintenance and repair work conducted thereon shall be a personal obligation of the Owner of the Lot entered upon, shall be deemed a special Development Area Assessment against such Lot, shall be a lien upon the Lot entered upon and Improvements thereon, and shall be enforced in the same manner and to the same extent as provided in Article V hereof for regular and special Development Area Assessments. The Development Area Association, acting through the Development Area Association Board, shall have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin any breach or threatened breach of the Association Restrictions. The Development Area Association, acting through the Development Area Association Board, is also authorized to settle claims, enforce liens, and take all such action as it may deem necessary or expedient to enforce the Association Restrictions; provided, however, that the Development Area Association Board shall never be authorized to expend any Development Area Association funds for the purpose of bringing suit against Declarant, its successors or assigns. Notwithstanding any provision herein to the contrary, the Development Area Association may not alter or demolish any Improvements on any Lot other than Development Common Area or Development Area Association Property in enforcing the Association Restrictions before judicial proceedings are instituted by the Development Area Association or the written consent of the Owner(s) of the affected Lot(s) has been obtained. Each such Owner shall indemnify and hold harmless the Development Area Association, its officers, directors, employees and agents from any cost, loss, damage, expense, liability, claim or cause of action incurred or that may arise by reason of the Development Area Association's acts or activities under this Section 3.06(b) **(INCLUDING ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION ARISING OUT OF THE DEVELOPMENT AREA ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH)**, except for such cost, loss, damage, expense, liability, claim or cause of action arising by reason of the Development Area Association's gross negligence or willful misconduct. - (c) Conveyances. To grant and convey to any person or entity any real property and/or other interest, including fee title, leasehold estates, easements, rights-of-way, or Mortgages, out of, in, on, over, or under any Development Area Association Property for the purpose of constructing, erecting, operating, or maintaining thereon, therein, or thereunder:

 - (3) Sewers, water systems, storm water drainage systems, sprinkler systems, and pipelines, or any other water quality features or improvements; or

- (d) Manager. To retain and pay for the services of a Manager to manage and operate the Development Area Association, including the Development Area Association Property, to the extent deemed advisable by the Development Area Association Board; provided, however, that the Development Area Association Board will have no power to discharge, limit the authority of or interfere with the exercise of functions by, a Manager for the Property appointed pursuant to the Master Declaration. Additional personnel may be employed directly by the Development Area Association or may be furnished by the Manager. To the extent permitted by law, the Development Area Association and the Development Area Association Board may delegate any duties, powers, and functions to the Manager. 3.07. Indemnification. To the fullest extent permitted by applicable law, but without duplication of (and subject to) any rights or benefits arising under the articles or bylaws of the Development Area Association, the Development Area Association shall indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that such person is or was a director, officer, committee member, employee, servant, or agent of the Development Area Association against expenses (including attorney's fees, judgments, fines, and amounts paid in settlement) actually and reasonably incurred by such person in connection with such action, suit or proceeding if it is found and determined by the Development Area Association Board or a court that such person: (i) acted in good faith and in a manner which such person reasonably believed to be in, or not opposed to, the best interests of the Development Area Association; or (ii) with respect to any criminal action or proceeding, had no reasonable cause to believe such conduct was unlawful. The termination of any action, suit, or proceeding by settlement, or upon a plea of Nolo Contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner reasonably believed to be in, or not opposed to, the best interests of the Development Area Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that such conduct was unlawful. The Development Area Association Board may purchase and maintain insurance on behalf of any person who is or was a director, officer, committee member, employee, servant, or agent of the Development Area Association, against any liability asserted against such person or incurred by such person in any such capacity, or arising out of the status of such person as such, whether or not the Development Area Association would have the power to indemnify such person against such liability hereunder or otherwise.

ARTICLE IV

INSURANCE AND CONDEMNATION

4.01. Insurance. Each Owner shall be required to maintain insurance on the Improvements located upon such Owner's Lot, providing fire and extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for Improvements similar in construction, location and use. Such insurance policies shall be for the full insurable value of the Improvements constructed upon each Lot, shall contain extended coverage and replacement costs endorsements, if reasonably available, and may also contain vandalism and malicious mischief coverage,

special form endorsement, a stipulated amount clause and a determinable cash adjustment clause. Neither the Association nor the Development Area Association shall be required to maintain insurance on the Improvements constructed upon any Lot. The Association or the Development Area Association may, however, obtain such insurance as it may deem necessary, including but not limited to such policies of liability and property damage insurance as the Board or the Development Area Association Board in their discretion may deem necessary. Insurance premiums for such policies shall be a common expense to be included in the assessments levied by the Association, as the case may be. The acquisition of insurance by the Association and the Development Area Association shall be without prejudice to the right and obligation of any Owner to obtain additional individual insurance.

4.02. Restoration. In the event of any fire or other casualty, the Owner shall promptly repair, restore and replace any damaged or destroyed structures to their same exterior condition existing prior to the damage or destruction thereof. Such repair, restoration or replacement shall be commenced and completed in a good and workmanlike manner using exterior materials identical to those originally used in the structures damaged or destroyed. To the extent that the Owner fails to commence such repair, restoration or replacement of substantial or total damage or destruction within thirty (30) days after the occurrence of such damage or destruction, and thereafter prosecute same to completion, or if the Owner does not clean up any debris resulting from any damage within thirty (30) days after the occurrence of such damage, the Association or the Development Area Association may commence, complete or effect such repair, restoration, replacement or clean-up, and such Owner shall be personally liable to the Association and/or the Development Area Association for the cost of such work; provided, however, that if the Owner is prohibited or delayed by law, regulation or administrative or public body or tribunal from commencing such repair, restoration, replacement or clean-up, the rights of the Association and the Development Area Association under this sentence shall not arise until the expiration of thirty (30) days after such prohibition or delay is removed. If the Owner fails to pay such cost upon demand by the Association or the Development Area Association, the cost thereof (plus interest from the date of demand until paid at the maximum lawful rate, or if there is no such maximum lawful rate, than at the rate of one and one-half percent (1-1/2%) per month) shall be assessed against and chargeable to the Owner's Lot(s). Any such amounts assessed and chargeable against a Lot shall be secured by the liens reserved in the Master Declaration or this Declaration for Assessments and may be collected by any means provided in the Master Declaration and/or Declaration for the collection of Assessments, including, but not limited to, foreclosure of such liens against the Owner's Lot(s). **EACH SUCH OWNER SHALL INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION AND THE DEVELOPMENT AREA ASSOCIATION, AND THEIR OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASON OF THE ASSOCIATION'S OR THE DEVELOPMENT AREA ASSOCIATION'S ACTS OR ACTIVITIES UNDER THIS SECTION 4.02, EXCEPT FOR SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR COST OF ACTION ARISING BY REASON OF THE ASSOCIATION'S OR THE DEVELOPMENT AREA ASSOCIATION'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. "GROSS NEGLIGENCE" AS USED HEREIN DOES NOT INCLUDE SIMPLE NEGLIGENCE, CONTRIBUTORY NEGLIGENCE OR SIMILAR NEGLIGENCE SHORT OF ACTUAL GROSS NEGLIGENCE.**

4.03. Mechanic's and Materialmen's Lien. Each Owner whose structure is repaired, restored, replaced or cleaned up by the Association or the Development Area Association pursuant to the rights granted under this Article IV, hereby grants to the Association and the Development Area Association an express mechanic's and materialmen's lien for the reasonable cost of such repair, restoration, or replacement of the damaged or destroyed Improvement to the extent that the cost of such repair, restoration or replacement exceeds any insurance proceeds allocable to such repair, restoration or replacement and delivered to the Association or the Development Area Association. Upon request by the

Board or the Development Area Association Board and before the commencement of any reconstruction, repair, restoration or replacement, such Owner shall execute all documents sufficient to effectuate such mechanic's and materialmen's lien in favor of the Association or the Development Area Association.

ARTICLE V

COVENANT FOR ASSESSMENTS

THE PROVISIONS CONTAINED IN THIS ARTICLE V SHALL BE OPERATIVE ONLY IN THE EVENT A DEVELOPMENT AREA ASSOCIATION IS CREATED PURSUANT TO SECTION 3.01; PROVIDED, HOWEVER, THAT THE MASTER ASSOCIATION MAY AVAIL ITSELF OF THE LIENS RESERVED IN SECTION 5.08 FOR THE PURPOSE OF DISCHARGING ANY LIABILITY INCURRED BY AN OWNER AS A RESULT OF SUCH OWNER'S VIOLATION OF ANY TERM OR PROVISION OF THIS DECLARATION.

5.01. Development Area Assessments. Each Owner of any Lot, by acceptance of a deed therefor or ownership interest thereto, whether or not it shall be so expressed in any such deed or other conveyance document, shall be deemed to covenant to pay to the Development Area Association: (i) Development Area Assessments or charges (as specified in Section 5.03 hereof); (ii) Special Development Area Assessments (as specified in Section 5.04 hereof); and (iii) late charges (as specified in Section 5.06 hereof). All of such Development Area Assessments shall be fixed, established, and collected from time to time as hereinafter provided. **The Development Area Assessments provided for under this Article V shall be in addition to the assessments levied pursuant to the Master Declaration.** Notwithstanding any provision in this Declaration to the contrary, Development Area Assessments shall not be assessed against any Lot owned by Declarant.

5.02. Purpose of Development Area Assessments. The Development Area Assessments levied by the Development Area Association shall be used exclusively for the purpose of promoting the comfort, health, safety, and welfare of the Owners, and the maintenance and improvement of the Property or any part thereof, including, without limitation, the Development Common Area, and for carrying out the purposes of the Development Area Association as stated herein or as otherwise provided in the Articles or Bylaws.

5.03. Establishing Development Area Assessments. Each fiscal year, the Board shall estimate the expenses to be incurred by the Development Area Association during each year in performing its functions with respect to the Property, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Development Area Assessments sufficient to pay such estimated net expenses shall then be levied as herein provided, and as between the Lots within the Property, the amount of the Development Area Assessments levied against each Lot shall be equal and uniform. The level of Development Area Assessments set by the Board shall be final and binding so long as it is made in good faith. If the sums collected prove inadequate for any reason, including nonpayment of any individual Development Area Assessment, the Development Area Association may at any time, and from time to time, levy further Development Area Assessments in the same manner as aforesaid. All such regular Development Area Assessments shall be due and payable by each Owner to the Development Area Association during the fiscal year in equal monthly, quarterly, semi-annual, annual, or other periodic installments, as the Board determines in its sole discretion, on or before the first day of the applicable period.

5.04. Special Development Area Assessments. In addition to the Development Area Assessments authorized by Section 5.03 hereof, the Development Area Association may, by vote of its Members as set out in Section 5.04 hereof, levy special Assessments for the purpose of defraying, in

whole or in part, the cost of any construction or reconstruction, repair or replacement of any Improvement located upon any of the Development Common Area, or any portion of the Property owned by the Development Area Association, including the necessary fixtures and personal property related thereto, or for carrying out other purposes of or otherwise benefiting the Development Area Association. Special Development Area Assessments levied against the Owner(s) of a particular Lot to cure violations of the Association Restrictions by such Owner(s) shall be deemed approved and authorized automatically upon the occurrence of the events giving rise to such curative special Assessments. Special Development Area Assessments to be levied against all Owners as authorized by Section 5.04 hereof must be approved by a majority of the total votes of the membership of the Development Area Association determined in accordance with Sections 3.03 and 3.04 of this Declaration, voting in person or by proxy, at a meeting duly called for such purpose, written notice of which shall be given to all Members in accordance with the Bylaws.

5.05. Due Date of Development Area Assessments. The first Development Area Assessment shall become due and payable on each Lot in accordance with the periodic payment schedule established by the Board in accordance with Section 5.03. The due date of any special Assessment hereunder shall be fixed in the resolution authorizing such Development Area Assessment or, if not so fixed or established by other terms of this Declaration, the first day of the first month following the imposition of such special Assessment. Payments shall be considered delinquent if not paid within five (5) days after their due date. Where the obligation to pay an Development Area Assessment first arises after the commencement of the fiscal year or any other period for which the Development Area Assessment was levied, the Development Area Assessment shall be prorated as of the date when the obligation first arose in proportion to the amount of the Development Area Assessment year or other period remaining after said date.

5.06. Late Charges. If any Development Area Assessment is not paid before it is delinquent, the Owner responsible for the payment thereof may be required by the Board to pay a late charge at such rate the Board may designate from time to time, and such late charge (and any reasonable handling costs therefor) shall be a charge upon the Lots owned by the said Owner to which the Development Area Assessment relates, collectible in the same manner as herein provided for collection of Development Area Assessments, including foreclosure of the lien against such Lot(s); provided, however, such charge shall never exceed the maximum charge permitted under applicable law.

5.07. Owner's Personal Obligation for Payment of Development Area Assessments. The Development Area Assessments and late charges provided for herein shall be the personal and individual debt of each Owner. No diminution or abatement of Development Area Assessments shall be allowed for inconveniences arising from the making of repairs or improvements to the Development Common Area or any Lot, and no Owner may exempt himself from liability for such Development Area Assessments and charges through non-use of such Owner's Lot or otherwise.

5.08. Development Area Assessment Lien and Foreclosure. All sums assessed or charged in the manner provided in this Article but unpaid, together with all costs and expenses of collection, including reasonable attorney's fees, are secured by a continuing Development Area Assessment lien and shall constitute a charge on or against the Lot covered by such Development Area Assessment or charge, which shall bind such property in the hands of the Owner, and such Owner's heirs, devisees, and personal representatives, successors or assigns. The obligation to pay Development Area Assessments hereunder is part of the purchase price of each Lot when sold to an Owner. An express lien on each Lot is hereby granted and conveyed by Declarant to the Development Area Association to secure the payment thereof in each such instance, each such lien to be superior and paramount to any homestead or other exemption provided by law. The aforesaid lien shall be superior to all other liens and charges against the said Lot, except only for tax liens, and all sums unpaid secured by a first-lien Mortgage securing sums borrowed for the purchase or improvements of the Lot in question, provided such Mortgage was recorded in the

Official Public Records of Travis County, Texas before the delinquent Development Area Assessment was due. The Development Area Association shall have the power to subordinate the aforesaid Development Area Assessment lien to any other lien. Such power shall be entirely discretionary with the Board and such subordination must be signed by an officer of the Development Area Association. The Development Area Association may, at its option and without prejudice to the priority or enforceability of the Development Area Assessment lien granted hereunder, prepare a written notice of Development Area Assessment lien setting forth the amount of the unpaid indebtedness, the name of the Owner of the Lot covered by such lien and a description of the Lot. Such notice shall be signed by one of the officers of the Development Area Association and shall be recorded in the Official Public Records of Travis County, Texas. Each Owner, by accepting a deed to a Lot subject to this Declaration, shall be deemed conclusively to have granted a power of sale to the Development Area Association to secure and enforce at any time after such payment becomes delinquent by the non-judicial foreclosure of such lien on the defaulting Owner's Lot by the Development Area Association in like manner as a deed of trust or real property mortgage with power of sale under Tex. Prop. Code § 51.002. (For such purpose, Robert D. Burton of Travis County, Texas is hereby designated as trustee for the benefit of the Development Area Association, with the Development Area Association retaining the power to remove any trustee with or without cause and to appoint a successor trustee without the consent or joinder of any other person.) The Development Area Assessment liens and rights to foreclosure thereof shall be in addition to and not in substitution of any other rights and remedies the Development Area Association may have by law and under the Association Restrictions, including the rights of the Development Area Association to institute suit against the Owner personally obligated to pay the Development Area Assessment for monetary damages and/or for foreclosure of the aforesaid lien judicially. In any foreclosure proceeding, whether judicial or non-judicial, the Owner shall be required to pay the costs, expenses, and reasonable trustee's and attorney's fees incurred. The Development Area Association shall have the power to bid (in cash or by credit against the amount secured by the lien) on the property at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same. Upon the written request of any Mortgagee holding a prior lien on any Lot, the Development Area Association shall report to said Mortgagee any Development Area Assessments remaining unpaid for longer than thirty (30) days after the same are due. The lien hereunder shall not be affected by the sale or transfer of any Lot; except, however, that in the event of foreclosure of any first-lien Mortgage, the lien for any Development Area Assessments that were due and payable before the foreclosure sale will be extinguished, provided that past-due Development Area Assessments shall be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the indebtedness secured by the first-lien Mortgage. The provisions of the preceding sentence will not, however, relieve any subsequent Lot Owner from paying assessments becoming due and payable after the foreclosure sale. Upon payment of all sums secured by a lien of the type described in this paragraph, the Development Area Association shall upon the request of the Owner execute a release of lien relating to any lien for which written notice has been filed as provided above, except in circumstances in which the Development Area Association has already foreclosed such lien. Such release shall be signed by an officer of the Development Area Association.

5.09. Exemptions. Notwithstanding any provision herein to the contrary, all Common Area, Development Common Area, and any Lot owned by the Declarant shall be exempt from the payment of any Development Area Assessment levied by the Development Area Association, regular or special.

**STEINER RANCH
DESIGN GUIDELINES / SUPPLEMENTAL CONDITIONS**

Golf Course Residential

February 18, 2004

**STEINER RANCH
DESIGN GUIDELINES / SUPPLEMENTAL CONDITIONS**

**This information is supplemental to the Steiner Ranch Residential Design Guidelines Manual that was adopted by the SRMA Architectural Committee on February 20, 2003 and recorded on March 14, 2003 and any future amendments to the guidelines. Please refer to that document for all general Architectural Guidelines.*

ANY TERM OR PROVISION OF THESE DESIGN GUIDELINES MAY BE AMENDED OR MODIFIED IN ACCORDANCE WITH ARTICLE VI, SECTION 6.02(C) OF THE MASTER DECLARATION. THESE GUIDELINES MAY ALSO BE MODIFIED FOR PROPERTY ADDED TO THIS DECLARATION IN ACCORDANCE WITH SECTION 8.01 OF THE DEVELOPMENT AREA DECLARATION FOR GOLF COURSE RESIDENTIAL. THESE GUIDELINES MAY BE MODIFIED AS TO ANY PROPERTY PRESENTLY ENCUMBERED BY THE DEVELOPMENT AREA DECLARATION, FROM TIME TO TIME AND AT ANY TIME. SPECIFICALLY, AND NOT BE WAY OF LIMITATION, THESE GUIDELINES WILL BE MODIFIED AS NECESSARY TO ACCOMMODATE ZERO LOT LINE RESIDENCES.

IN ADDITION, IN ACCORDANCE WITH ARTICLE VI, SECTION 6.02(F) OF THE MASTER DECLARATION, THE SRMA ARCHITECTURAL COMMITTEE MAY GRANT VARIANCES FROM THE TERMS AND PROVISIONS OF THE MASTER DECLARATION, THE DEVELOPMENT AREA DECLARATION, THE STEINER RANCH RESIDENTIAL DESIGN GUIDELINE MANUAL, OR THESE SUPPLEMENTAL CONDITIONS.

The Golf Course residential lots in this phase have been planned with four (4) different lot and housing sizes. The following Supplemental Conditions are separated into the four (4) different lot size neighborhoods, as described by the Lot and Block shown on the recorded subdivision plat. Additional lot and housing sizes may be developed, and the Development Area Declaration, Steiner Ranch Residential Guideline Manual, and/or these Supplemental Conditions may be amended or changed to accommodate those plans. No assurance is given regarding the lot or housing sizes or housing types to be incorporated into the property made subject, from time to time, to the terms and provisions of the Development Area Declaration.

With the views of the golf course and preserve in this subdivision of Steiner Ranch, consideration should be taken when choosing a site for the home to be constructed. Many factors determine the best location for the home, including topography, landscaping, proximity to the golf course and other lots. In some cases, the Architectural Committee may dictate the exact location of building structures on the lot. Views are not protected.

For the purposes of this document, lots adjacent to the golf course will be defined as: **Lots 88-92, 95-105, 406-412, 415-417, and 419-423, Block A.**

Site Work

- No trees may be removed on the Golf Course or within any Buffer Easement areas, without written approval from the University of Texas Golf Club, Ltd. and the Steiner Ranch Architectural Committee.
- Prior to lot clearing all permanent rear lot fencing must be installed on **Lots 6-13, 21-23, 25-28 and 30-51, Block A.** Disturbing land within the any portion of the Balcones Canyonland

Preserve can result in fines as provided in the Conservation Easement Agreement, recorded as Document #2001009450, in the Official Public Records of Travis County, Texas.

- Prior to lot clearing, silt fence must be installed on all downhill sides of the lot.
- Prior to lot clearing, construction fencing must be installed on all property lines abutting any greenbelt or open space lot, or lots with a completed residence thereon (unless the permanent fence has already been installed along the property line(s)). Builder construction access, parking, construction staging, materials/debris storage, or construction activity is prohibited on greenbelt lots, open space lots or any vacant residential lots.

Architectural Submissions

- No specific design style is required for each section; however, a meeting between the builder, architect, and Architectural Committee is required to establish a specific design theme for each section, to keep some continuity within each product.
- Existing and proposed final grades of the lot must be shown on and approved by the Architectural Committee with the plot plan application.

Facade Design

- 100% masonry required. This includes brick, stone or stucco. The Architectural Committee may consider a variance to this requirement for unique architectural design, in keeping with a "Texas Hill Country" style, that uses cement masonry siding as an integral part of the design.
- Due to the high visibility of these homes to the golf course, special consideration should be given to the design of the front and rear elevations of the homes. Flat or "boxy" elevations (front and rear) will not be allowed. Variation in the planes, both horizontally and vertically, are required.
- The brick ledge on all four elevations shall not exceed 12" above finished grade. In the event that this requirement is violated, applicable fines will be assessed and the builder/owner will be required to screen the area in a manner decided by the Architectural Committee.
- Outdoor living areas are encouraged. Interior courtyards, large porches, verandas, terraces and trellises are a few ways to create an appealing outdoor environment.
- To create an interesting and attractive product, the following should be kept in mind when designing homes for construction:
 - "Boxy" and flat elevations (front and rear) will not be approved.
 - Break up rooflines to create interest and flow in the design, making each house appear unique.
 - Limit the 2nd story of the residence to no more than 40% of the overall square footage of the home.
 - The roof area of two-story homes should include one-story elements.
 - Fireplace chimneys should be incorporated into the overall design of the home, and must be faced with stone, stucco or brick. The Architectural Committee may make exceptions, if it fits in with the overall approved design of the home.

Roofing

- Concrete, slate, or clay tile; or painted, non-reflective, metal roofing is required. No composition shingles will be allowed.

Fencing and Walls

- Consistent "wrought iron" style fencing will be required at the rear property line on lots adjacent to the golf course and greenbelt lots. "Wrought iron" style fencing, consistent with installed golf course fencing in gauge, color and style, or masonry perimeter fencing is required at all side lot lines and rear lot lines not adjacent to the golf course. Installation of fencing may not commence

until written approval is received from the Architectural Committee. Six-foot cedar picket privacy fence will be allowed on interior lot lines of the 50' and 60' lots only (as defined below).

- If trash containers are to be stored outside, a masonry wall to match the exterior of the house must be constructed to shield the containers from view at the street, the golf course and from adjacent lots.

Flat Work

- No broom finish concrete allowed. Only stained concrete or special finish concrete allowed.
- Flatwork design, plot plan and specifications, to be submitted with architectural plans. Acceptable flat work materials may be, but are not limited to, aggregate concrete, stained concrete, or brick/stone pavers.
- Driveways required to be set back off the side property line a minimum of 5'.
- On lots adjacent to the golf course, driveways will not be allowed to extend into the rear setback.

Decks

- All deck plans must be submitted to the architectural committee for review. These plans should follow the guidelines for submission on decks found in Section 7.8 of the Residential Design Guidelines Manual.

Pools

- All pool plans must be submitted to the architectural committee for review. These plans should follow the guidelines for submission on pools found in Section 7.7 of the Residential Design Guidelines Manual. Pool and associated pool deck setbacks for lots adjacent to the golf course must be at least 10' from property line.
- For lots adjacent to the golf course, draining pools or pool equipment into the golf course is strictly prohibited. Any washout from pools on lots adjacent to the golf course must be directed toward the street and the storm drainage system.

Landscaping Requirements

- Hardscape, softscape, turf and landscape materials should create a balanced picture, with no one item dominating the front or rear yard. Using a landscape architect for design is strongly encouraged.
- Custom landscape plans for front, rear and side yards are required to be submitted with architectural plans to the Architectural Committee. The landscaping design must include turf, trees, shrubs and plant bed areas to enhance the architectural style of the home and the neighborhood
- The following items must be submitted for landscape review by the Architectural Committee (Plans must be approved no later than six months after the approval of the plot plan):
 - Materials list for plants – include types and sizes at installation and maturity
 - Materials list for all other landscaping structures shown on site plan.
 - Tree survey showing all trees of 6" caliper or more.
 - Landscape site plans to include, but are not limited to, the following items:
 - Walls and fences

 - Elevation/detail drawings to include, but are not limited to, the following items:

- Walls, fences and gates

- Fountains and other water features
- Outdoor fireplaces or BBQ pits
- Any other architectural feature, such as columns or arches
- Minimum of 3-3" caliper (36" box or 100 gallon) hardwood trees required to be installed at each street yard, including the rear yards adjacent to and visible from roadways, and in the rear yards on lots adjacent to the golf course. The number of trees required **may** be waived, upon approval of a variance by the Architectural Committee, but only in a situation where there are at least 3-6" caliper existing hardwood trees in the specified yard.
- Automatic irrigation system will be required for the entire yard.
- Landscape lighting is encouraged, however color lenses or bulbs are not allowed. Lights must also be shielded, so as not to shine or glare onto adjacent lots, roads or golf course.
- No seeded Bermuda varieties of grass are allowed. All lots adjacent to the golf course must use either Tiff Sport Bermuda or Buffalo Grass Sod for all turf areas.
- Landscape plans utilizing rock, crushed rock, or bark mulch as the predominant element will not be permitted.
- All landscaping of front and rear yards on lots adjacent to the golf course, must be completed before closing of the home. Rear yards on lots not adjacent to the golf course, will be allowed the standard six months from closing to be completed. Erosion controls must remain in place until such time as landscaping has been established to prevent erosion.

- **Rear yard** setbacks shall be a minimum of 25 feet.
- Setbacks are measured from property line and are inclusive of any easements shown on the plat or recorded by separate instrument.
- In no case shall any structure or improvement, including overhangs, encroach into *easement* areas.
- In order to enhance the views and streetscape, and to not adversely affect adjacent homes, the AC, at times, may dictate the exact location of building structures on the lot. Views are not protected.
- No playscape, storage, gazebo or any other roofed or trellised accessory structures will be allowed to be constructed in the rear setback of lots adjacent to the golf course. This will not apply to pools and associated decking, walls, or outdoor fireplaces.

In the event of any disagreement regarding the application or determination of setbacks, the opinion of the Architectural Committee will control.
